

Safety Across the Borders - September 2013 - Evaluation Sheet Summary

Following the "Safety across the Borders" workshop, the evaluation forms completed by the delegates were analysed. 120 evaluation forms in total were completed. Delegates were asked to rate the following questions from 1 (inadequate) to 6 (adequate)

- Presentation style
- Information content
- Understanding of topic covered
- Learning aid tools/ 1st presenter
- Learning aid tools/ 2nd presenter
- General facilities

Of the maximum score of 6 available, each area scored an average of 5. This score indicates that the delegates were on the whole very satisfied with the training they received at the workshop.

The following aspects of the workshop were repeatedly praised:

- Good speakers
- Educational and informative
- Good organisation

Delegates also showed interest in the following:

- Keen on attending future events
- Practical sessions to be delivered at future sessions
- Training to be delivered to all departments to enable other colleagues to benefit
- Facilities to be visited in advance to highlight those whose performance is below expectation

Conclusion:

Stream Pharmaceutical UK Ltd are keen to collaborate with the Safety Commission and Ministry of Health to ensure that delegates continue to receive the training that will empower them and equip them with the skills and knowledge to become safety ambassadors and in doing so support Lagos State Government in its drive to promote safety and excellence in the delivery of healthcare services to its people.
